

Description

With Sony Ex-View CCD chip set, this camera provides excellent images and superb low lux rating for near complete darkness operation. The integrated zoom lens has a powerful 30x Optical Zoom making this camera idea for longer range perimeter protection. It has an RS485 interface for control of camera functions, and the OSD (On Screen Display) menu makes it extremely easy in situations where remote setup of the camera is required.

Features

- 1/4" Ex-View SONY HAD CCD
- Low Power Consumption
- 30x Optical Zoom
- IR Remote for Zoom/Focus
- Multi-mode Focus
- High Sensitivity 0.01lux
- High Resolution more than 480TVL

Specification

Image Sensor	1/4" Sony Ex-View HAD CCD	Video Output	1.0Vp-p 75 Ω (BNC)
Effective Pixels	768H x 494V	Power Supply	12VDC
Horizontal Resolution	More than 480TVL	Power Consumption	150mA
Zoom Ratio	30x Optical Zoom	Dimensions	58(W)mm x 65(H)mm x 116(D)mm
Sync. System	Internal / External	Operating Temperature	-10°C ~ 50°C
S/N Ratio	> 55dB	Control Interface	IR Remote for Zoom/Focus
Signal System	PAL / NTSC	Picture Effect	Neg., Mirror, B/W
Min. Illumination	0.01 Lux (ICR ON)	Focusing System	Normal AF, Zoom Trigger AF
Shutter Speed	1sec ~ 1/10,000sec	White Balance	Auto Tracking White Balance
OSD Menu	Yes
